Report of the Commander of the Martyr Ahmed Al-Abdo Forces on the current events on 6/16/2016

2016/6/16 Thursday

At exactly two o'clock in the afternoon, 4 members of the Martyr Ahmed Al-Abdo Forces headed to the reconnaissance and surveillance mission, riding two motorcycles. On their way, after Bir Mahroha, towards the northwest, they were exposed to gunfire from ISIS. They were riding in 4 vehicles equipped with anti-tank weapons.

We had a common point with the Army of the Black East in Bir Mahruth, which provided support and clashed with ISIS. This resulted in the martyrdom of three members of the forces. We were able to retrieve their bodies, and a number of ISIS members were killed and wounded, more than four. They were also able to retrieve their bodies and flee. A Hilux vehicle equipped with an anti-tank 14 was seized, and they were able to remove it from it before they fled.
