Report of the Commander of the Martyr Ahmed Al-Abdo Forces on the airstrikes at Al-Tanf crossing on 6/16/2016

At 12:00 noon, the Russian enemy aircraft attacked the Al-Tanf crossing (the camps of the New Syrian Army), to which the Martyr Ahmed Al-Abdo Forces sent reinforcements consisting of infantry elements, anti-aircraft weapons, and missile bases in order to protect the camp from ISIS strikes.

The raids of the occupying Russian air force caused casualties and losses in the camp, as two members of the Martyr Ahmed Al-Abdo Forces were injured, another member of the Lions of the East Army was martyred, and three members of the Lions of the East were also injured, and some vehicles, mechanisms, and military equipment were damaged.

The pictures from the crossing showed the Russian air force using cluster bombs and targeting the camp with several raids, knowing that the camp is under the control of the Free Syrian Army and is internationally known, and that the Russian air force has prior knowledge of this.
