Report of the Commander of the Martyr Ahmed Al-Abdo Forces

About the work carried out on 2016/6/5

After the forces of the martyr Ahmed Al-Abdo stormed the Zaza checkpoint on 6/12/2016, and through information from the prisoners, it became clear that the organization had established a communication network to cover its communications throughout its entire areas of influence.

It indicated the presence of a signal booster station in Tal Makhoul, Tal Asfar, Al-Barada and other areas.

The place was surveyed from Tal Makhoul and it was found that there was a group of three guards, a tent and a hatry broadcasting station. This was on 6/14/2016.

As of the morning of 615 | 2016, the implementing unit in the Badia sector moved to implement the work. Upon the unit's arrival at

The area was evacuated by the elements guarding the station in a vehicle.

The station, all equipment, the elements' tent and the accompanying gear were seized.

And the items are returned safely

But on the way back, a traffic accident occurred and three fighters from the Martyr Ahmed Al-Abdo Forces were injured and were taken to Jordan for treatment.

We hope for God's safety
